Dated _____

Post Graduate Department of Economics University of Kashmir One day Economic Survey Outreach Session, 20th May 2015.

Economic Survey 2014-15 with distinct features was laid in the parliament on 27th February 2015. Inspired by the IMF's World Economic Outlook, this Survey departs structurally from its predecessors and presents its output in two volumes. Volume 1 discusses the outlook and prospects as well as a number of analytical chapters addressing topical policy concerns. Volume 2 describes recent developments in all the major sectors of the economy and contains all the statistical tables and data. In a sense, Volume 1 is forward-looking but gaining from the perspective provided by the recent past which is the subject of Volume 2. These alongside other developments make this economic survey a distinct document with a breakaway from the traditional mode of presenting the macroeconomic developments to the nation. The Survey places a premium on new ideas or new perspectives both of an academic and policy nature.

It is in this regard that the Department of Economics, University of Kashmir in collaboration with Ministry of finance, Government of India is organizing an ***"Economic Survey Outreach Session" on 20th May 2015*** at Gandhi Bhawan University of Kashmir. This session to be addressed by Dr. Arvind Subramanian, Chief Economic Advisor (Secretary Level), Ministry of Finance Government of India. He will be accompanied by three other authors of the Economic survey 2014-15. This session will benefit all stakeholders including students, researchers, academicians, corporate and business leaders and policy makers.

Venue: Media House Hall, EMMRC University of Kashmir
