### Minutes of the Meeting dated: 27/05/2024

A Committee was constituted with the mandate to verify the rewiring / re-electrification that was carried out recently in the department of Economics so that work completion certificate be issued to the contractor concern.

In this regard, the committee has certain observations / concerns which are as follows.

1. Due to the work carried out the internet facility in this department is completely disrupted and has not been restored till date.
2. There are multiple controls of power supply & connections for inverters / batteries which is neither convenient nor advisable.
3. Since installation of the UPS there is occasional beeping particularly in the morning hour. Further, it is to state that a newly installed UPS priced at about Rs. 2 lacs had to be serviced (opened) 3 to 4 times to address certain issues. Both of these issues need to be looked into.
4. Old fittings / clips are still fixed / hanging at many places, which need to be removed. Further, after this work the entire department has been rendered shabby and need immediate face lifting.
5. AC transformer in one of the class rooms has not been connected / adjusted.
6. There used to be Fluctuation in the power supply time and again which as of now seem to have been addressed.

In the light of above, the executive Engineer may be request to address the above issues. The work completion certificate shall be issued once these issues are addressed satisfactorily.
